Today's Book-A-Day Giveaway winner is **Arianna Sepulveda** who is being recognized by **Ms. Andersen** for the IB Learner Profile Trait(s), **Principled**. Congratulations, please report to the Media Center after Morning Announcements to choose your free book.

The Sebastian River Middle School Wind Ensemble performed at their Music Performance Assessment yesterday. For the first time in the history of this school, they played high school level literature instead of middle school level literature. I am super proud to report they received the highest rating possible for their stage performance, which is a Superior. None of the stage judges even gave the band a single B on the sheets; it was straight As on all 3 pieces from all 3 judges. Congratulations to all of the Wind Ensemble students on this amazing accomplishment!"

Test Taking Strategy of the week: **All of The Above**- Questions with the option "all of the above" can quickly be answered by checking all the answer choices. If you find **two** that are correct, you can immediately choose "all of the above" as the correct answer.
